

A F R I C A N A C A D E M Y

Programme Name: Change Management in the Workplace

Programme: Two-Day workshop / Also available as an in house workshop

Description

This practical programme is aimed at equipping change practitioners to position, manage and sustain change implemented in environments through:

- Covering the fundamentals of organisational Change Management.
- Providing a world class Change Management methodology supported by an extensive repository of proven tools and templates.
- Unpacking case studies representing more complex challenges often faced by Change Practitioners in project environments.
- Facilitating the Changing Game that tests and hones delegates' ability to handle tricky scenarios typically encountered in managing change.

This workshop will help you:

- Understand what Change Management is and its application in the work environment.
- Identify the underlying nature - "archetype" - of a change in working environment, and select an appropriate approach.
- Consider the "change load" in planning initiatives.
- Apply a typical Change Management methodology and tools.
- Map a world-class, change approach to a typical project timeline.
- Scope the Change Management resource requirements.
- Recognize and deal appropriately with typical work scenario's and associated challenges.

Duration

Two-Day workshop 08h30 – 16:00

Course Fees (R2500.00)

Monies are payable upfront.

Additional Costs (books, kits, etc)

All additional costs are included in the course fees.

Certification

On successful completion of the programme, the student will receive a Certificate, Issued by the African Academy.
